BOY, WOMANHOOD AWAITS

Dear Just 18, You guys are too much. Each issue simply gets better than the previous. Your latest edition was the hottest I'd ever seen. While each young girl featured was special in her own way, it was Mika who made the issue an instant collector's edition. This cuter-than-cute brunette was irresistible. On the surface, she seemed so innocent, but yet when she opened up her pussy so it blossomed like a flower, she proved herself worthy of burgeoning womanhood. I'd love it if you could continue to feature her in a series of layouts over the next few years, so we can watch her truly grown into a full-fledged woman—sort of like the movie, *Boyhood*, with a more mature theme. Just a suggestion. Keep up the good work.

THREE CUMS UP A WINNER

Dear Just 18 I've been buying "dirty" magazines for a long, long time. But your most recent outing contained, by far, the most arousing spread ever. Of course, I'm talking about the foursome, featuring Mindy, Vicki, Carly and Parker. How is it possible that one lucky guy can have three adorable 18-year-olds—who happen to look like sisters, even though I know they're not—sucking his dick at the same time? Hell, if that happened to me, I'd pop my nut in a second, then have a heart attack. I don't usually tug my pecker to pictures anymore, but I couldn't stop masturbating to this pictorial. Just the fact that you were able to assemble three nubile cuties in the same spread was awesome. That all three fucked and sucked one guy—mind-blowing, no pun intended. You've restored my faith in skin magazines!

BECKY AND CHUCK MEET BECKY AND CHUCK

Dear Just 18, I usually buy your fine magazine for the single girl pictorials. But the "Becky and Chuck" layout in your last issue was of special interest to me. Why, you ask. Because my girlfriend's name is Becky and my name is Chuck. We've been together nine years, since the time we were 18! Looking at the pictures made me think back to when Becky and I first met and started fucking. My Becky was—and is—just as hot as the chick in your pictures. And we did—and still do (sometimes)—the nasty in the nastiest of ways, just like your couple. I'm waiting until the next time we have sex, to show the pictures to Becky. I'm hoping it inspires her to fuck me like we were 18 again. Thanks!

A FISTFUL OF PLEASURE

Dear Just 18, I know what I just saw can't be legal—can it?—but I love it! Of course, I'm talking about Tanya, in your last issue. First of all, I may be naive, but I didn't know it was possible for a woman to fist herself in the ass. Add to that the fact that the "woman" in question is all of 18-years-old and you have an earth-shattering event. Literally, I've never seen anything like this before, though I do hope to see it again. In my day, you were lucky if a girl tongue-kissed you. To know that today's youth as advanced to the belief that ass-fisting is cool is progress to the nth degree. Tanya, I love your beautiful ass—from the butt cheeks all the way to its deepest recesses, which you, thankfully, displayed. Go, girl!

BLONDE FUEL FOR HIS FANTASIES

Dear Just 18, I can't imagine getting paid to inspire every guy's fantasies. But your staff continues to amaze. Opening your last issue and gazing upon Tracy and Nina made me sit up—erect—and take notice. Two gorgeous young blondes making out with each other? Ever man's wettest dream! I even came up with my own masturbatory scenario where Tracy and Nina were cheerleaders and I was the star quarterback. As a prize for me winning the game on a last-minute touchdown, the two girls take me back to their dorm and let me watch as they lick each other's pussies and fuck each other with strap-ons. Then they let me stick my dick in them. Actually, the more I ogle their pictures, the more involved fantasies I develop around them. Whatever they pay you guys isn't enough. You sure know how to make your readers happy and horny!

6 JUST EIGHTEEN

After graduating high school, instead of going the traditional route and attending college, I decided to take time off to find myself. I took an apartment downtown with roommates, got a job, and began role-playing as an adult. Whew, let me tell you, it's not exactly what I expected.

"The 'rents have it right. Life is hard. And it's often boring. To spice things up, sometimes I like to do naughty things. I especially love to get naked and expose my almost-womanly curves for all to see. Sitting by the window, curtains open, in full view, I get nasty, touching myself all over. I'm sure I'm not the only one doing the touching. I hope lots of people enjoy the sight. Sometimes, if life gets hard, you have to make it fun again. Maybe I'm not as grown-up as I think. Then again, maybe I'm just blossoming into a horny young adult!" 🍆

LUCKY
NUMBER THREE

MARY, NICOLE & DARREN

They say you never forget your first time. So it's even more true that you never forget your first threesome! Mine was just the other day, and if I live to be 60, I'll never forget it. Nicole, Darren and myself always hang together. And, yes, sometimes we fool around. Usually, either Nicole or myself will make out with Darren. But the other day we were a little stoned and things progressed to the next level.

"Darren dared me to make out with Nicole. We kissed. One thing led to another. We took our clothes off. Darren pulled out his wanker and began playing with himself. Before you could say *twerk* the three of us were in bed together. We fucked and sucked each other; we came like crazy; we had great giggles. It was one for the brain cells. Something tells me there might be a few more memories to be made!" 🍑

HORNDOG'S NOTEBOOK

"Boy, does Hermie luck out when he runs into Lylah at the bagel shop! She knew he was giving her the eye, so even though she considered herself out of his league, she figured she'd throw him a bone. Until she realized that the bone she was throwing him was no match for the bone he carried in his pants! Hop to it, Hermie!"

BEST BONER FOR BRAT PRINCESS

By Hermie Glump

It's weird doing housework when you're naked. But that's what Lylah wanted me to do. There I was in her new apartment, trying to sweep her floors, dust her furniture, and wash her dishes, while she walked around the place having a dirty conversation on her phone.

I knew I was lucky to be in her place, in her presence. From the moment I'd seen her moving in down the hall last week, my eyes had been bugging and my tongue had been hanging down with drool. Her hedge fund father and her philanthropist mother in Connecticut had put her up in her own apartment so she could study acting here in New York City; she was their eighteen-year old brat princess, spoiled down to the polished tips of her fingernails, and nothing was too good for their pampered baby doll. She'd noticed me ogling her not just when she was in the hallway and lobby of the building, but also when our paths crossed at the bagel shop across the street. I just couldn't stop looking at her and she picked up on my interest.

Of course, I figured that gawking was the best I could do. I'm an ordinary working mug in his thirties, a bachelor of no special accomplishments or talents, although if I measured how incredibly stiff

and large my cock gets in the presence of bratty young girls I can't seem to be cool enough to ever date, I would probably make some kind of "Best Of" list. As in, "Best Boner for Brat Princesses."

So I was sitting in the bagel shop, having forced myself to look away and return to my bagel and coffee, when she came up and, standing behind me, said, "I got no use for you except one thing. Housework."

I recognized her voice instantly and turned around. I didn't know what to say, because I never expected her to say anything to me.

"I mean," she went on, "you just can't stop staring, right? I wouldn't be surprised if you were trying to peek at me through the peephole in my front door."

"I—I—I wouldn't do th-that," I managed to squeak out.

"The hell you wouldn't, Mr. Big Eyes For What He Can't Have! But listen, like I say, if you wanna do my housework I can throw you a bone. After all that moving-in chaos, the place can use a little tidying up."

She was so hot and so evil at eighteen—after all, a girl who practically COMMANDS you to do her housework? That's evil. She was so gorgeous that if she'd told me to go play in traffic I probably would have. Her hair, her lips, her eyes, her cleavage, even her damn fingers turned me on.

"So what'll it be? Life with your bagel or with a broom in my apartment?"

I gulped my coffee, gathered up the remains of the bagel in the waxed paper, tossed it into the garbage, and followed her back to our building.

Her apartment was twice the size of mine and she probably paid four times the rent. Or rather, her parents did. The only reason I could still afford to live in this building was that I'd moved in long ago. Lylah (she gave me her name as we went up in the elevator) told me to strip off all my clothes and then she'd show me what to do first.

"N-nude housework?" I said. "And d-do you get n-naked to s-supervise?"

"What's with all the st-st-stuttering, guy? Do I make you nervous? And no, my clothes stay on."

"I'm naked, you're c-c-clothed?"

"Boy, you are fucking weird! Most guys would start stuttering when they imagined me n-n-naked, but you're just the opposite."

"D-don't make fun of me." My face reddened in embarrassment, though, because the idea of being her nude housework slave while she was fully dressed DID get me excited.

"All right, I apologize. I want to be a good supervisor, and it's not right to make fun of people's speech in this day and age. Political correctness, right? So just take off your clothes, keep your mouth shut, and I'll get you a broom and duster."

Like I say, she was so out of my league I was willing to take what I could get. Or rather, do what I could (housework)

if I couldn't get what I wanted—to hold and kiss and squeeze and put my stiffie in her! (Although I would've been satisfied just to rub it up against her calf and squirt off that way!!) So fifteen minutes later, I'd fin-

ished sweeping and dusting her living room while she sat on the edge of a sofa, smoking a cigarette, her silky pantyhosed legs crossed, looking at her iPhone but talking to me at the same time.

"Beauty is the royalty in this world of ours, Hermie," she said, scrolling through her email, "and a girl like me, fresh out of high school, ready to face the challenges of the world head-on, needs not only studs but slaves." Then she looked up at me. "I read you as the slave type from the git-go. You look even more like a slave when you're naked as you are now. Although I must say, that cockie-wockie..."

Damn, she made me blush again! That was part of the problem I'd always had with girls—they made me feel embarrassed to be horny! And yes, I was horny all right—with my boner at full-mast.

"All right, all right, you're done with the living room. Go in the kitchen, wash last night's dishes, and straighten it up."

"Can I ask you a question?" I said.

"I got time for one." She was busy dialing a number.

"W-why did you trust me enough to b-bring me up here?"

"I can read boys like books, boner brain. I knew you were safe with good manners. Now get going. My dishes have your name on them." And she started talking to whomever she'd just called on the phone.

As I walked out of the room, somehow I could feel her eyes on my bare butt, like maybe she wanted to spank it or something. Or maybe she was trying to look through my ass to see my hard cock again? Anyway, I got to work on her plates and coffee cups, her wine glasses and trays. She'd had some kind of housewarming party last night with all her gorgeous girlfriends. Then, over the sound of the water in the sink, I started to hear a little of her phone conversation. "You'd do what to me, Phil? Oh, that sounds very good, you have such a filthy mind, Phil, maybe that's why your parents named you Phil...yes, I'm going into the bedroom now..."

It seemed like Lylah was talking much more loudly than was necessary, but I kept up my chores even as her conversation got dirtier. "No, I'm not alone, Philthy Phil, I have a naked servant in my kitchen, doesn't every girl who looks like me have a houseboy? Yes, I'm almost naked now myself..."

I finished putting the plates and glasses into the cupboard, and I could hear Lylah even though she was in the bedroom. "Oh Phil, why do you have to be on the other side of the country when I need your cock right now? Boyfriends should be kept on a short leash. I don't approve of my studs traveling."

I began to stroke my boner at the sound of her conversation, and at the fact that she obviously wanted me to hear it!

Then I heard the words that almost made me squirt: "Hermie, come here, I need you..."

I wiped my hands on the dish towel, although the only moisture I had on them now was my pre-cum. I hurried into her bedroom to see her laying naked on the bed with her phone in one hand and her pussy in the other!

"Stay in the doorway, slave," she ordered me, then looked down at my boner as if wondering whether her command was a smart idea.

She turned away so that I could see her bare back and butt, even as she continued to talk on the phone and play with herself. "Now how many fingers would you put in my ass, Phil?" she said. "Really? Sounds like you'd be prepping me for your cock. But you know I've never taken it in the ass, Phil..."

I stood in the doorway, stroking my meat to every naughty syllable that came out of her mouth. After all, she hadn't told me not to touch myself, just not to come any closer!

"Oh Phil, why are you and your monster cock so far away?" she said, turning over so that her legs were spread and her fingers almost made a blur on her clit. Her eyes were closed, her mouth was open, her tongue was wet and running over her lips.

"I—I'm here, Miss Lylah," I said, figuring if I were her slave it would be smart to address her as "Miss."

She ignored me.

I kept stroking my cock. Like I said, I'm not special in this life except in one department, and that department was getting bigger and stiffer all the time...

"R-really, Miss Lylah, if you need some c-c-cock—"

"I thought I told you to keep it shut."

"B-b-but—"

"Damn you, Hermie!" she finally said. "Get that dick over here." And into the phone, she snapped, "Gotta go now, Phil. Hurry home!" And she tossed the phone onto the nightstand.

I started thinking about basketball and hockey so I wouldn't cum the moment she touched my inches. "You know what they say, Hermie, when you're not with the one you love, love the one you're with. Even if he's your houseboy."

"I—I agree, Miss Lylah."

And into her mouth I went. Which only goes to show how even

the most beautiful girl can underestimate a guy from outward appearances! She saw me in the bagel shop, she thought I was a slave. She heard me talk, she made fun of my stutter. But when I was in her doorway naked and she was horny, then she recognized my true qualities!!

Let me tell you, the eighteen year old mouth of a girl like Lylah is a beautiful thing! Especially when it's covered with cum over and over.

And don't get me started on her asshole...

Looks like Phil might be doing the housework the next time he's in town! 

OIL OVERLOAD

OIL OVERLOAD 11

JULES JORDAN VIDEO
JULESJORDANVIDEO.COM

DIRECTOR
CHRIS STREAMS

SLUT 'N' PUPPET
RILEY REID, SARA LUV & JAMES DEEN

A porn virtuoso at creating oil induced erotica; director Chris Streams really knows how to lay it on thick. Perhaps the slipperiest edition to his jaw dropping series, Oil Overload 11 is teaming with gorgeous babes and plenty of oil, both natural and synthetic. With six hardcore scenes, and over three hours of hardcore coverage, Streams not only gives us quantity, he gives us quality.

Of the sinful starlets that are lined up for the firing squad today, none shine as brightly as porn's ultimate petite princess, Riley Reid. A bona fide natural when it comes to sucking and fucking, this Miami native has a distinctive way of wrapping her pink lips, both glorious sets, around porn poles, ultimately giving her lover's the royal treatment. Willing to use

her entire body simultaneously, this multi-talented tartlet won't stop until she makes you pop. With bubbly goodness that pools around her holes, there's nothing more erotic than watching this sexy spinner in hardcore action.

That notion becomes exponentially more explosive when this sexual fire-cracker is paired up with another notable starlet. Today, that beautiful girl happens to be Sara Luv, a Latina spitfire with a bubble butt and a penchant for pole that rivals Riley's insatiable prowess. Together, these porn darlings spell double trouble when they team up to take down porn's reigning king, James Deen. With copious amounts of oil waiting on the sidelines, hungry pussies in need of meat, and an absolute necessity for some kinky crotch collision, it's time to get slippery and very wet!

Riley walks onto the scene, looking like a walking felony in a

psychedelic-print bikini and a pair of sexy sunglasses. The epitome of a California beach bunny, Riley looks way too good to be true. As she saunters past Streams' lens, she makes damn sure to shake her ass and pull her triangle top open, exposing her pair of itty-bitty titties and sharpened nipples. It isn't long before Sara also makes her way onto the first scene

ON THE SET

of the day, looking pristine in a hot pink bikini that glimmers against her caramel-colored skin.

Once these two delectable women collide, Riley surprises her Latina plaything by pulling out a bottle of mineral oil. Placing the bottle between her legs, as if shucking a hot load against her playmate, Riley has fun dousing her new friend with plenty of grease. "Let's get all wet and slippery, baby," Riley purrs, ready to take things one step further. Soon, the two drenched divas are rubbing their saturated titties together, making a skin-tight connection until their tan nipples kiss in the middle. Once they've had enough titty play, Riley squats over in a doggie position, enticing the camera with her infamous ass. With the bottle of oil in her hands, Sara begins drenching Riley's derriere with the slick stuff. Welcoming each sexy squirt, Riley begins twerking her ass up and down like a Hip-Hop video ho, causing the warm oil to splatter out toward the camera. In fact, the word hot doesn't even begin to describe what's occurring right here, right now!

As soon as the girls enter the house, James Deen, who aptly takes control of

Riley Reid: "Before porn, I didn't realize that I had such an unusual blowjob technique. I'm sure the guys in my personal life really enjoyed it, but I had no idea that my style was so different. I keep things really wet and deep. I enjoy blowing spit bubbles and really getting into it using my hands, mouth, tongue and eyes. Blowjobs are more than just sticking the cock into your mouth. I hate watching scenes where the girls just don't care about the head they are giving. I choose to put my heart and my emotions into my cocksucking. Lame blowjobs suck. Blowjobs are just my thing."

the scene from the second he comes into frame, joins them. Stacking the girls up like pancakes, James saturates both assholes with oil, using the cracks of their asses to jerk his joint. Sitting side-by-side, the girls kiss and smack their spit stringers between them, heating up with the thought of experiencing James's award-winning cock.

It isn't long before both babes are on the ground doing their due diligence to suck James's dick in unison. While Sara happily slithers James's cock in and out of her throat like a sexy snake, Riley makes herself quite useful by squatting beneath Sara's legs, ingesting James's nuts, one juicy ball at a time. When Riley comes up for air, she pets Sara's pretty face and purrs, "Stick your tongue out. Keep it out. Good girl."

Once James can't handle the heat any longer, he buckles Sara in

half and impales her puffy pussy with his hammer in doggie position. With his fingers gripping into the curve of her slippery hips, James really lays into her honey hole with dyer force. Eager to make herself useful, Riley positions herself underneath the action, lapping up their sex wax and the oil slick that is leaking from Sara's pussy like a busted faucet.

When it's Riley's turn in the hot seat, James insists on face-to-face contact with his pint-sized princess, continuing with her on her back in missionary position. With Sara sitting on Riley's face and James laying down more pipe than a city plumber, Riley bursts out with one squirt blast after another, drenching both of her partners with her juicy goodness. With bitches this hot and sex this wet, this trio clearly demonstrates an outrageous case of Oil Overload! 🍑

TRIXIE

I'm in my senior year at an all-girls high school. Having just turned 18, I'm free to do as I please. And I please to please. By that, I mean I know the deal. When class is out, like on weekends or holidays, I still wear my school uniform and braid my hair in pigtails. That's because I know the effect it has on most guys—regardless of age.

"Okay, I'm a cocktease. Hey, I'm legal. There's nothing wrong with liking to see bulges in mens' pants. Whenever I'm out and see guys visibly aroused, I can't wait to get home to take care of myself. Yes, I diddle my vag, thinking about how hot and bothered I made every guy who saw me. My pussy gets very wet and I finger myself until I go off. You're only young once—you might as well make the most of it. If you ever catch me walking down the street, I'm sure you'll agree!"

FRIENDS OF A FEATHER FRENCHIE & CAROL

Carol and I are the two best-looking girls in school, bar none. It only makes sense that we chill with each other. That makes everyone else jealous. You wouldn't believe the load of lies and bullshit being spread about us behind our backs. There's even whispers that we're, gasp, lesbian lovers (LOL).

"Okay, so what is that true? Hot chicks have to stick together. There are no boys in school good enough to touch our pussies, so we have to take care of each other. And do we ever! I love licking Carol's cunny and she is great at returning the favor. We've also begun using toys. It feels fantastic to have Carol pump my coochie with a big dildo. And I get off on getting her off with a vibrator. Keep the gossip coming. We'll try to live up to the hype!"

EXPOSED
TO FUN
MAULINDA

Beautiful blonde Malinda has no trouble meeting guys in her freshman year at college. The thing is, she prefers older men. "I like to meet at upscale hotels and be wine and dine and then, (giggles) 69'd!" she told us. "Then we go upstairs and I take off my panties and you lick me nice and long and deep, and once you get me off, I'll show you how flexible I am! You can even cum inside me if you want!" Sounds like a good deal to us! 🍑

Just 18 PORNSTAR INTERVIEW

Porn Valley, CA—CUTIE JODI TAYLOR HAS ONE OF THE MOST INSATIABLE SEXUAL APPETITES IN PORN TODAY, WHAT WITH ALL THE hardcore scenes she's done. Still, she finds time to dress down, put on a baby doll outfit, wear an adorable pair of flip flops and act her age when she's at home thinking about her next ball blasting scene. Jodi is pretty busy off set with all her guy friends but rest assured, if you're older gentlemen, Jodi has a thing for you.

How long have you been in the adult industry?

It'll be two years in August.

Has the adult industry been every-thing you expected it to be?

Actually, it's been a little bit more than I expected it to be. I didn't expect a lot of this. I didn't expect it to actually be as much fun as it has been.

Do you remember how your first porn scene went? Were you nervous or excited that day?

Yeah I do. I was really excited. I didn't have any nervousness, which I wasn't expecting. My very first scene ever was with Amateur Allure. It was a very good scene.

You do a lot of young girl roles. What do you think about guys who are into young girl porn?

Do you think they're really pervy?

For me personally, I'm really into porn. I don't really watch older girl porn so I kind of get it. I get the appeal. If they're perverted I'm probably a little perverted too. [Laughs]

So younger girl porn is what you like to watch?

Yeah. I mean I definitely like the younger girls that are really innocent, maybe even when the scenarios are where they're less experienced, maybe they learn a lot. I really enjoy those scenes.

How do you feel about cougar/kitten porn?

That's definitely very hot.

Have you done those types of scenes for Sweetheart Video or any other studio?

I haven't. I've worked for Sweetheart a lot but the ones that I have done were young girl. I haven't done one with an older girl yet.

Who would be the performer you'd most want as the cougar?

Oh my god, there's a lot of choices with that. It's really hard. Dana Vespoli, she's directed me but I've never actually gotten to work with her. I'd love that. She's definitely one that's really good at dominating in her scenes.

What was your first experience with a girl like? Was it a good or bad experience?

It was pretty good. I've always had pretty fond experiences with girls. My first experience with a girl we were mainly experimenting.

How sexually active were you when you were in school? Were you slutty in school or pretty selective?

I was very, very shy but I was interested in being a lot more sexually active than I was. I was too shy to actually go through with it. [Laughs]

Are you into older guys or guys closer to your age? What is about those guys that makes them hot?

I'm definitely into older guys. I think it's the experience thing, the maturity, not even sexual experience but just life experience. I'm just more attracted to someone I feel may be a little more experience in life. It's just more attractive. It's not as fun having sex with someone you feel might be more mature than. [Laughs]

In real life if a guy asked you to put your hair in pigtails, suck on a lollipop and call him mister, would you do it?

Oh yeah, definitely.

Is being a young pretty girl a blessing or a curse? What kind of advantages do you have being so cute?

I think it's a blessing. I think there are certain advantages to both. I'm enjoying the advantages of still being considered the young girl, but I definitely think there's a lot of advantages too when you get older.

Do you ever engage in sexting or sending naked pics of yourself over your phone?

Oh yeah. I still do it. It's funny too because most guys, if I do

do it, I'll say, "You can just look it up online. You don't really need me to send you a picture." They'll still want individual pictures. I guess it's because it's just for them. It's not just something they can just find somewhere.

JODI TAYLOR FUCK FACTS

Birth Date: July 25

Height: 5'7

Weight: 135 lbs.

Measurements: 34B-26-36

Movies: Tombois 2 (*Sweetheart Video*),

Anal Hazing Crew 4 (*Zero Tolerance*),

Redheads Are Sexy (*New Sensations*),

Corrupt Schoolgirls (*Reality Junkies*)

Do you have anal sex regularly in your private life?

I do with guys . . . I have a few booty calls that I know pretty well that I will have anal sex with. But anal is harder to have off camera. Some guys don't know how to do it. [Laughs]

Was your first anal experience a good or bad experience?

My first anal experience was actually pretty

bad because it was unexpected and it was with a very, very large penis that literally just jammed right up in there very quickly and very fast.

Did you let him bang you again after that?

Yeah I did. We got more comfortable and did it a little bit better than the last time. But anal didn't start to get really good until I had practice in porn.

Have you ever cammed before?

I have a couple of times but I really didn't enjoy it all that much.

34460

In your personal life have you had multiple sex partners at the same time?

I've done a threesome with another girl but I've never been able to do a threesome with two guys in my personal life.

What new girl in the business would you most like to have sex with?

That's hard too. There are so many hot new girls. I'm going to say Alina Li. I have a thing for Asian girls and she's got the cutest accent.

Anything you'd like to say in closing to the Finally Legal readers?

I really enjoyed doing this interview, so thank you. 🍆

I AM
WOMAN,
HEAR ME CUM

CRYSTAL

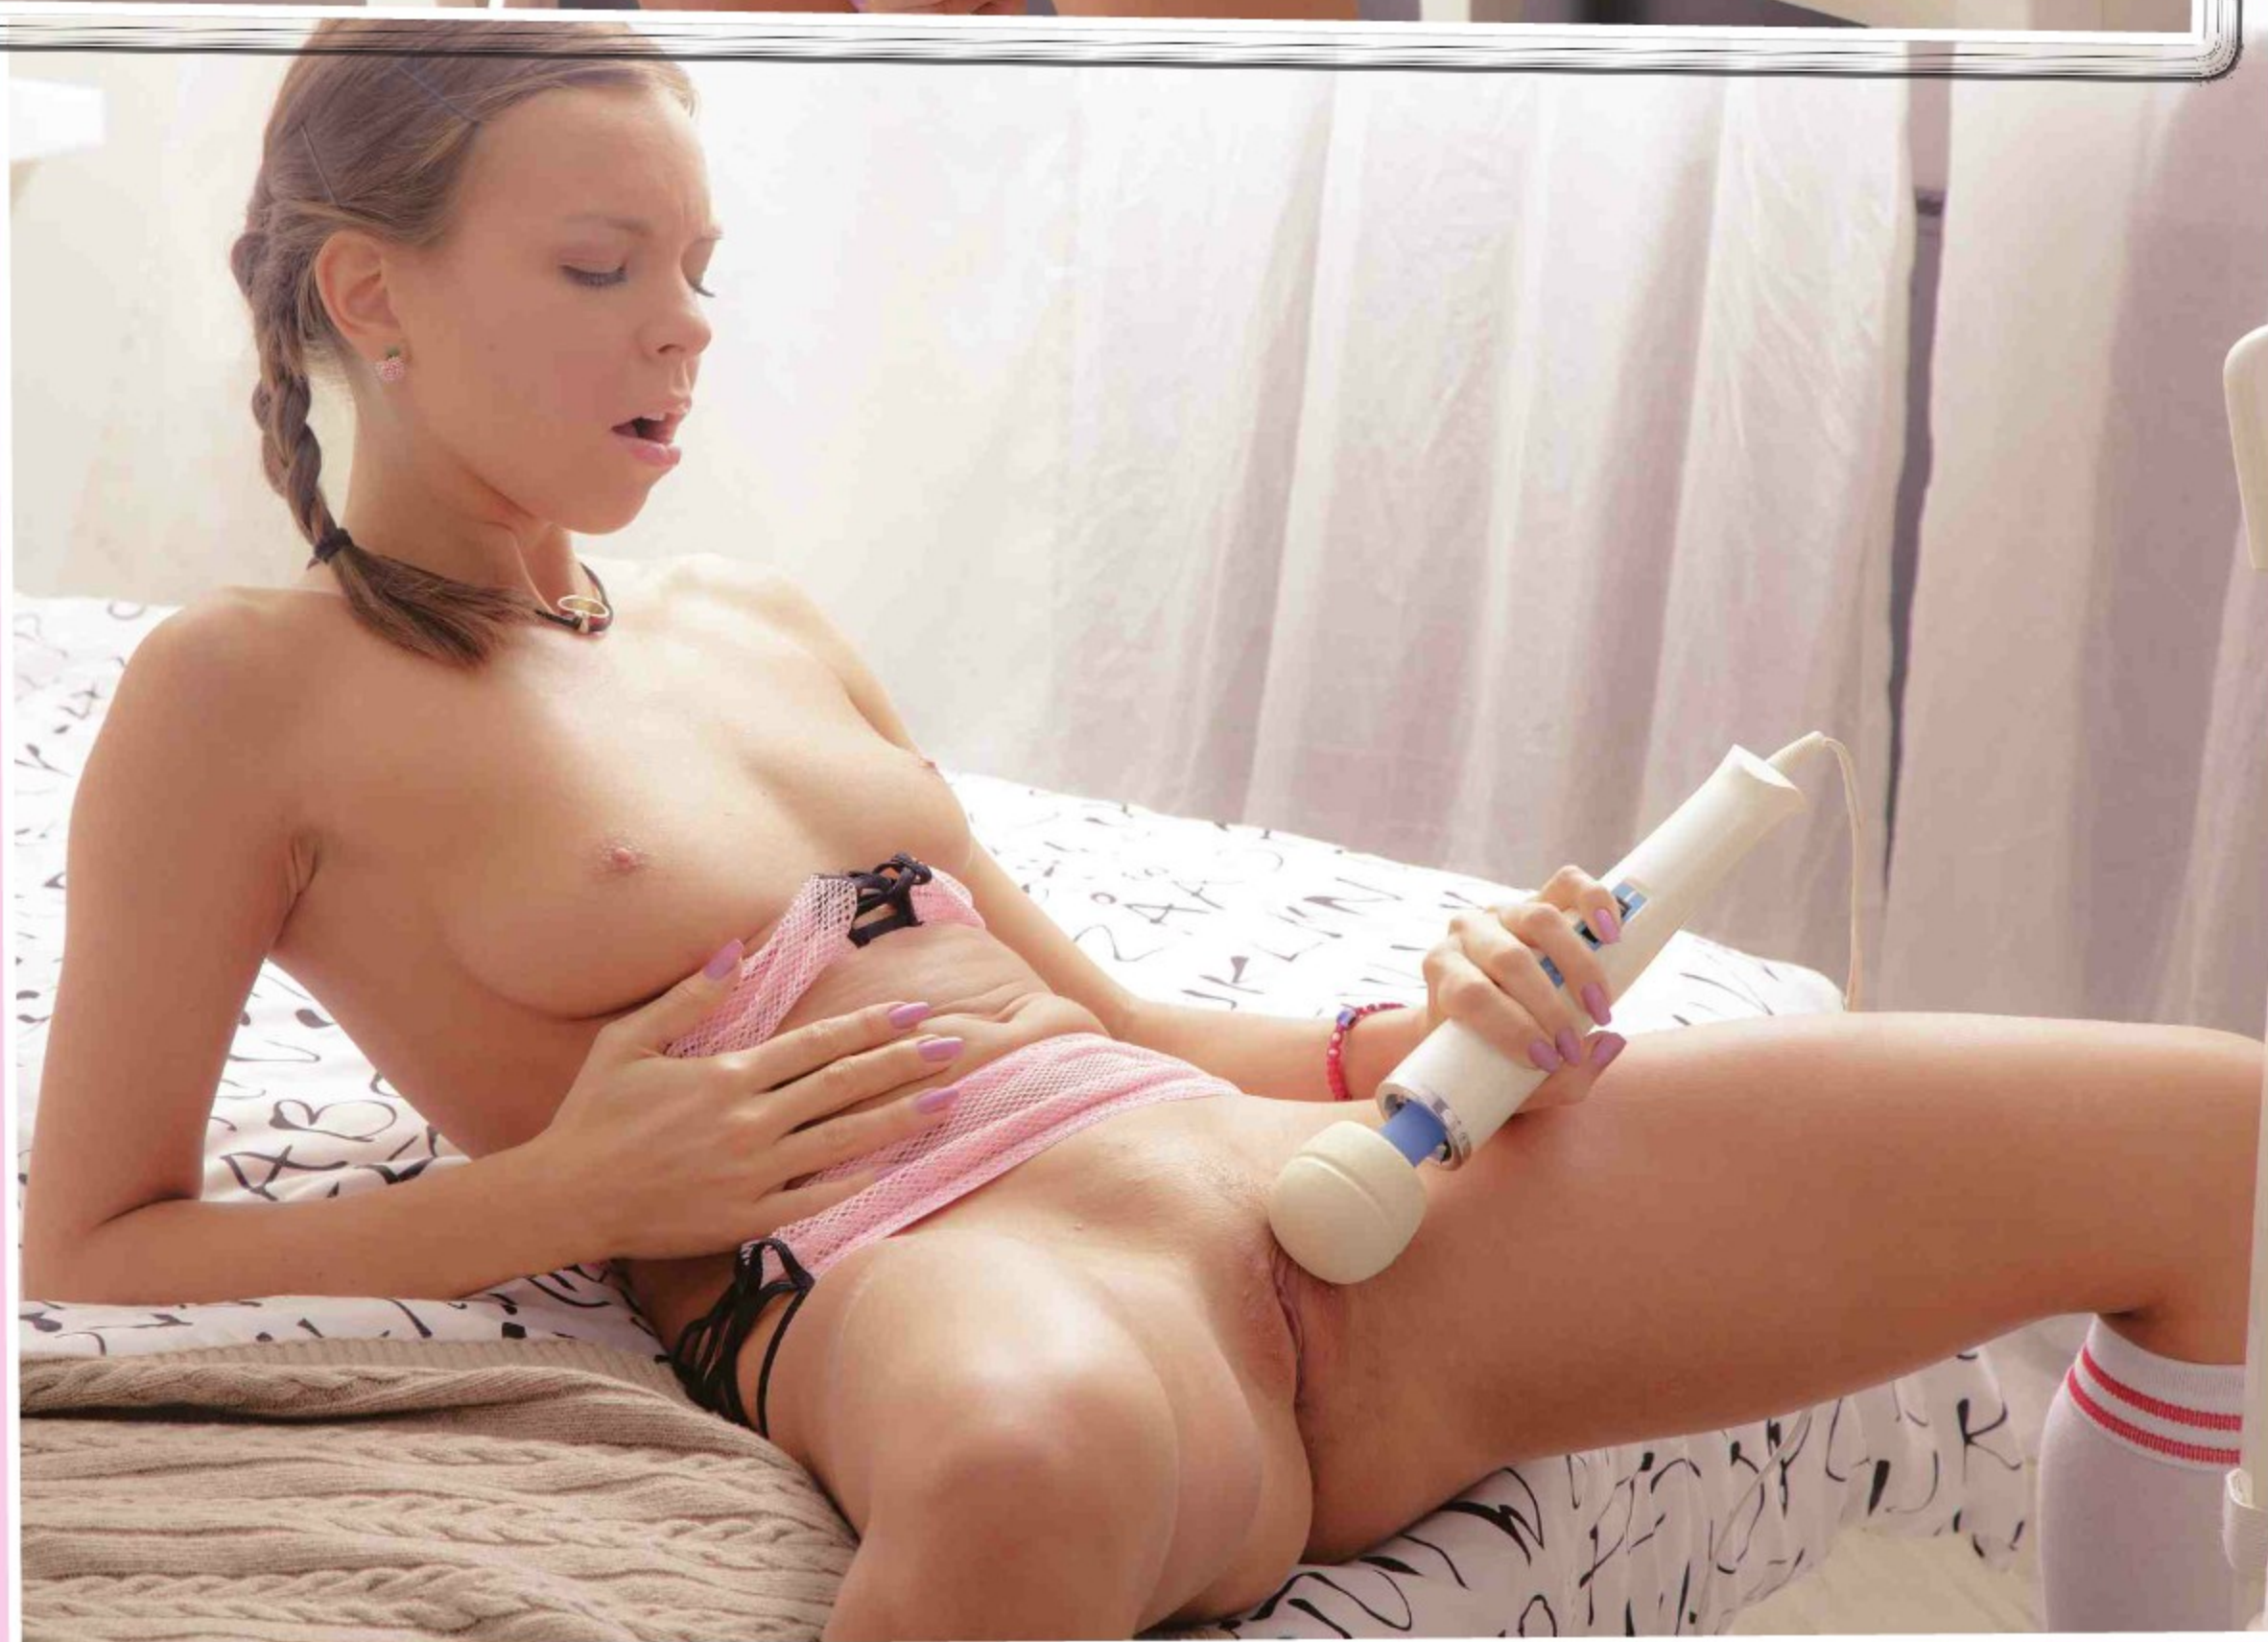

"It's tough being in freshman year of college. Especially when you lack self-confidence, like I do. In high school, I was kidded about being petite. I realize I'm pretty, but I never felt sexy. Now that I'm in college, I'm trying to change that perception, both from myself and others.

"Toward that end, I started wearing sexy, expensive lingerie. When I wear hot undies, I feel hot. And I've begun self-exploration. I now frig off every day. Touching myself and learning to know my body has really helped with my self-esteem. I can now bring myself to multiple orgasms. I feel like a real woman now. I'm ready to meet a guy, have a fuck buddy, and spread my wings. Womanhood, here I cum!"

A PROPER
SEX
EDUCATION

ALEX & NICK

Education is very important. If there's one thing I've learned in my short 18 years, it's that if you want to get ahead in life, you have to know what you're doing. That's especially true in giving head! There are just so many hot guys going around in school. Naturally, they're going to gravitate to girls who know what they're doing. That's why my friends and I practice sucking dick as much as possible. "I try to hook up as often as time permits. My current BF, Nick, makes for a great 'study partner' because he's got such a big prick. He tells me I do a great job at sucking him off. I'm trying to perfect my deep-throat technique. When I do, I know I'll be the most popular girl in school. Lucky boys!"
